Jesus is Jehovah's most precious Son – and for good reason. He is called the 'firstborn of all creation,' for he was God's first creation.

There is something else that makes this Son special. He is the 'only-begotten Son'. That means that Jesus is the only one directly created by God. Jesus is also the only one whom God used when He created all other things.

“People cannot see the divine plan in studying scripture by itself, but we see, also, that if anyone lays the Scripture Studies aside, even after he has used them, after he has become familiar with them, after he has read them for 10 years – if he lays them aside and ignores them and **goes to the Bible alone**, though he has understood his Bible for ten years, our experience shows that **within two years he goes into darkness.**”

“On the other hand, if he had merely read the Scripture Studies with their references, and **had not read a page of the Bible**, as such, **he would be in the light** at the end of two years, because he would have the light of the Scriptures.”

‘Who then is the faithful and wise servant, whom the master has put in charge of the servants in his household to give them their food at the proper time?’

To receive everlasting life in the earthly Paradise we must identify that organization [*the Watchtower Society*] and serve God as part of it.
